

**Louisville's Urban Bourbon Trail** includes the city's bourbon-inspired restaurants and bars and is the ideal gateway to a bourbon-rich tourism experience. There are two ways to travel the Urban Bourbon Trail – pick up your passport at the Visitors Center or one of the restaurants, or download the app.

No matter which method you choose, you'll be guided through the history of Louisville's bourbon heritage and the world's most celebrated bourbon bars. Just drink in the atmosphere, or enjoy a bite to eat. Be sure to ask your bartender or server to validate your passport (or app) before you leave.

Collect a stamp from six different stops along the Urban Bourbon Trail and you'll earn the rank of official Bourbon Country Citizen. You'll also be awarded a special Urban Bourbon Trailblazer t-shirt and official Citizen of Bourbon Country certificate, so you can proudly display your passion for bourbon to the world.
